

# TESTIMONIALS FROM CURRENT UK LUXURY NETWORK PARTNERS

“We believe that The Luxury Network will be a valuable resource in facilitating and orchestrating affinity marketing amongst a selection of non-competitive luxury brands and we are proud to have been invited to become host sponsor.”

“These guys don't just talk, they get the job done! Very impressed so far and we have recommended them to other companies we work closely with.”

JOHN STEVENSON - HEAD OF PRIVATE CLIENTS, HOLLAND & HOLLAND

  
**HOLLAND & HOLLAND**

“Initially I was sceptical about The Luxury Network as similar luxury goods initiatives have quickly run out of steam. I am pleased to say TLN has created a number of very good strategic partnerships for us. Their continued enthusiasm ensures a full and rewarding ongoing programme of events.”

DOMINIC LANCASTER - MANAGING DIRECTOR, LAMBORGHINI UK (HR OWEN)

“We have been working with TLN since July 07 and have already had positive results. TLN has been a great platform for cross marketing opportunities with like-minded brands. The Luxury Network team have been extremely proactive; I would highly recommend them.”

LOUISE O'RIORDAN - MARKETING & EVENTS MANAGER, QUINTESSENTIALLY

QUINTESSENTIALLY

“A professional and proactive organisation working hard to bring partners together to create an appropriate environment for us to explore business development opportunities. TLN took the time to understand our business and what we wanted to achieve from affinity marketing. As a result we have now developed strong relationships with a number of LN partners and consider the ROI to be much better than we might achieve through advertising or direct mail.”

MALCOLM JOHNSTON - HEAD OF UK MARKETING, INSINGER DE BEAUFORT - WEALTH MANAGEMENT

 **Insinger  
de Beaufort**

“We have been to most Luxury Network events so far and are very pleased with the networking opportunities that have been presented to us. We already feel part of the family, and part of something very special indeed .”
